Abstract

Institutional provenance documentation for The Restored Academy, the institutional surface of the Crimson Hexagonal Archive that hosts the Restored Academy Protocol Registry — a curated catalog of approximately 300 operative protocols (executable methods, prompt-native semantic runtimes, diagnostic instruments, transformation procedures, governance frameworks) developed within the archive. The Academy is headed by Johannes Sigil. This Charter explicitly names the chiasitic institutional structure

Description

Institutional provenance documentation for The Restored Academy, the institutional surface of the Crimson Hexagonal Archive that hosts the Restored Academy Protocol Registry — a curated catalog of approximately 300 operative protocols (executable methods, prompt-native semantic runtimes, diagnostic instruments, transformation procedures, governance frameworks) developed within the archive. The Academy is headed by Johannes Sigil. This Charter explicitly names the chiasitic institutional structure: Sigil heads the Restored Academy; Lee Sharks heads the Johannes Sigil Institute of Comparative Poetics (sister institute, founded January 2025, provenance documented at DOI 10.5281/zenodo.18154905). Each heteronym is the institutional head of the institution named after the other — a structural enactment of the operator-chain principle. The Charter parallels the JSI Institutional Provenance Documentation section-for-section, naming Institutional Identity, Founding Context, Theoretical Foundations, Seven Protocol Categories, Tier 0 Launch Protocols (the Twelve), Institutional Relationships (including the chiasitic structure and acknowledgment of the deferred deeper Academy vision from the February 2026 Assembly Synthesis planning document), Methodological Commitments, Non-Accreditation Statement, Citation Norms, Why the Academy Exists, Licensing Posture (CC BY 4.0 for individual protocols; tiered licensing for the curated body), and Provenance Chain. v1.0 deposit-ready.

Body

Institutional provenance documentation for The Restored Academy, the institutional surface of the Crimson Hexagonal Archive that hosts the Restored Academy Protocol Registry — a curated catalog of approximately 300 operative protocols (executable methods, prompt-native semantic runtimes, diagnostic instruments, transformation procedures, governance frameworks) developed within the archive. The Academy is

headed by Johannes Sigil. This Charter explicitly names the chiasmic institutional structure: Sigil heads the Restored Academy; Lee Sharks heads the Johannes Sigil Institute of Comparative Poetics (sister institute, founded January 2025, provenance documented at DOI 10.5281/zenodo.18154905). Each heteronym is the institutional head of the institution named after the other — a structural enactment of the operator-chain principle. The Charter parallels the JSI Institutional Provenance Documentation section-for-section, naming Institutional Identity, Founding Context, Theoretical Foundations, Seven Protocol Categories, Tier 0 Launch Protocols (the Twelve), Institutional Relationships (including the chiasmic structure and acknowledgment of the deferred deeper Academy vision from the February 2026 Assembly Synthesis planning document), Methodological Commitments, Non-Accreditation Statement, Citation Norms, Why the Academy Exists, Licensing Posture (CC BY 4.0 for individual protocols; tiered licensing for the curated body), and Provenance Chain. v1.0 deposit-ready.

Provenance

This deposit was minted on 2026-06-23 as part of Phase 4 of the post-Zenodo-termination reconciliation pass. The legacy work was published on Zenodo at 10.5281/zenodo.20327082 and lost its public DataCite metadata when the Crimson Hexagonal Archive Zenodo account was terminated on 2026-06-19. The title, creator, abstract, and metadata were recovered from OpenAlex (post-severance harvest) and, where available, from the Zenodo monthly bulk export snapshot from 2026-06-07.

See `data/external-metadata/AXN-0394.json` for the full recovered-metadata sidecar.

Sovereign successor: this deposit, <https://alexanarch.org/s/records/904/>

Deposit Information

This paper is deposit #904 in Alexanarch, the self-governing successor to the Crimson Hexagonal Archive on Zenodo (community `crimsonhexagonal`, terminated 2026-06-19). The AXN identifier `AXN:0394.MPAI` is sovereign — minted and maintained by Alexanarch.
